President's Message: Scott Replogle MD, BCMS President

Cool. I get to do a President's Letter!

But seriously, it's a nice way to communicate from the new BCMS president and get feedback from the members. Please feel free to comment or get back to me on any issues including the newsletter.

We're still getting used to the "new CMS" but there's always a bit of new BCMS, too, when we turn over the leadership at the annual meeting in October. We've also had our first board meeting and I'm happy to report that all the previous board members have agreed to stay on under the Replogle Administration and we've added one new board member, Judy Toney DO. We've got a new president elect, Hillary Browne MD, and Kelley Wear MD has agreed to serve as our representative to the CMS BOD.

We are in the process of reviewing our committee structure and who is on the active committees. We will try to get out a final list on that as it's a good place for BCMS members to have input and get involved in the BCMS leadership. Part of the new CMS is that we won't have a House of Delegates and the need for BCMS delegates at the annual meeting in September but we still need proposals and help forwarding various ideas and efforts.

The two main things I'd like to emphasize this year are services to BCMS members and the need to find commonality among Boulder County docs and what keeps us together rather than the forces that are tending to split us up. In addition, communication is always important and we're going to try to use website/online efforts, surveys, and other forms of communication to get information out to members and receive their feedback. CMS is also working on this at the state level.

I appreciate the service of Judy Ladd as our executive director and she has her hands full with the new edition of the Boulder County Physicians Directory as well as my spending time in the office a couple of times a week and getting a small desk positioned as the "president's desk."

Independent, retired, employed, hospital doc, or health organization doc, it doesn't matter to me. I want you to feel part of the Boulder County Medical Society and participate with our various efforts including our "soiree" meetings that we're hoping to continue. Contact Judy at 303-527-3215 or bcmedsoc@aol.com or email me at SREP73@gmail.com if you have anything you want to communicate or ask.

Scott L Replogle MD

Opioid prescribing CME event - Jan. 19, 2017

Join BCMS, Boulder County Public Health, North Colorado Health Alliance and the Colorado Consortium for Prescription Drug Abuse Prevention for "Moving From What to How: Practical Tools for Safe and Effective Opioid Prescribing" on Thursday, Jan. 19, 5:30-8:30 p.m. It will be held in the Houston Room of the Boulder County Clerk & Recorder Office, 1750 33rd St., Boulder.

Attendees can earn up to 2.00 *AMA PRA Category 1 Credit(s)*[™] and 1 COPIC Point. The intended audience is medical providers with prescriptive authority and behavioral health providers.

The cost is \$30 including dinner but BCMS will reimburse member physicians for attending this event. Please register online and submit for reimbursement from Judy Ladd. For more information about the event, contact Jamie Feld at jfeld@bouldercounty.org or [download/view an event flyer here](#). [Click here](#) to go directly to registration. We look forward to seeing you Thursday, Jan. 19 for this very important dinner meeting.

Happy Holidays from Judy Ladd, Executive Director, and the BCMS Board of Directors

This holiday season and all year long the Boulder County Medical Society is grateful for the opportunity to serve Colorado physicians and practices by bringing you the latest information and resources to make your job a little easier. Thank you for all that you do to improve the health of Coloradans. We wish you a wonderful holiday season and a prosperous 2017, and we look forward to working with you in the coming year.

MEMBERSHIP CLIMBS!
